

Event:

Interpersonal Communication for Workplace Readiness

(Pre-Employment Transition Services Only)

For those teens and young adults with a diagnosis of autism or other related conditions who wish to improve social skill and independent skills, **this course is for you**. This course is led by a Board Certified and Licensed Behavior Analyst. You must be able to attend 1.5 hour sessions without severe problem behaviors. Our Wednesday group targets 18+ while our Thursday group targets 14-18.
